TANYA HARSCH

Sebbie and the Sky Pirate

Oil, 12x18

A classically trained oil painter whose works can be found in private collections around the world, Tanya Harsch has been painting nearly her entire life. Growing up in Wisconsin, she was endlessly involved in artistic endeavors. She discovered what she was looking for in traditional academic training while studying abroad at the Charles Cecil School in Florence, Italy. Tanya is best known for her meticulously crafted Sebbie Series. The main focus is Sebbie, her childhood toy puppet and the host of critters he encounters. Harsch takes Sebbie on voyages and creates a world that takes viewers on a fantastical journey that evokes childhood memories often nostalgic.
